J.I.S. CONTRACT FURNITURE

J.I.S. Contract Furniture Inc. has been affiliated with many prestigious projects categorized as "Five Star" luxury hotel properties. We at J.I.S. Contract Furniture Inc. consider our product to be of the highest quality standards for the Hospitality Industry. We have the knowledge, craftsmanship and flexibility to turn any vision into furniture reality.

ABOUT US:

Originally located in the center of Toronto's design district, J.I.S. Contract Furniture Inc. now operates out of a 36,000 square foot "State of the Art" manufacturing facility in Mississauga. We produce custom designed furniture for the Hotel Industry and specialize in 50 -250 room projects. Each project, from large production-runs to specialized custom pieces, is manufactured to the highest standards with unsurpassed attention to detail.

Our manufacturing facility, combined with skilled handcrafting, gives J.I.S. a tremendous level of flexibility. This flexibility, along with the plant's capacity to re-tool, allows us to deliver virtually any type of project.

J.I.S. aims to provide case goods for the upper middle and high end hotel market, particularly excelling in the boutique hotel sector. We optimize client relations at all levels and strive to work in partnership with industry professionals, designers, architects, and purchasing companies with integrity and excellence.

Our team is comprised of skilled designers, engineers, craftsmen and finishers. We are committed to solid craftsmanship and durable finishes in distinctive styles, without compromise. We are passionate about our business and proudly stand behind our craft.

COMPETITIVE PRICING:

We have been fortunate in acquiring strong resources of raw materials and component suppliers that offer competitive prices, while maintaining the standards required for commercial case good production. Our monetary positions and strong credit ratings ensure the timely delivery of materials. As a result of a low overhead, an efficient company structure, and well-researched procurements, we offer our clients the most competitive pricing for their project requirements.

PROJECTS:

J.I.S. Contract Furniture Inc. has a reputation of successful and timely completion of all projects undertaken. Our current resources enable us to deal with projects of up to \$550,000.00 in a 12-week time span. Within this time span we provide a full service of sampling and engineered shop drawings. Our vast experience of working with architects and designers in both Canadian and US markets, provide us with the expertise to execute large production projects with the professionalism and accuracy our clients deserve.

We hope that this summary has provided you with an introduction to our company standards, manufacturing capabilities and our values.

We look forward to working with you.
