### THE JAMES HOTEL - CHICAGO, IL

The James Hotel is situated in the heart of downtown Chicago, steps away from the Magnificent Mile shopping district, Millennium Park, the Museum of Contemporary Art, and countless other tourist attractions. The hotel features a total of 297 handcrafted guest rooms, studios, lofts and penthouse lofts. J.I.S. supplied all guest room furniture, including metal and upholstery goods.

### COMFORT

The open-concept guest rooms emanate warmth and comfort through the use of a palette of earth tones and natural wood textures. The solid Walnut finish of the furniture pieces contrasts with the brush-chrome metal hardware. The spacious marble and slate-tile bathrooms combine form and function to deliver an atmosphere that is luxurious yet simple.

### ELEGANCE AND SOPHISTICATION

The hotel contains 234 rooms that provide extensive views of the Gulf of Mexico and Biloxi's Back Bay. The rich use of textures and patterns in the fabrics, in combination with the incorporation of earthy tones throughout the space, give the rooms sophistication. J.I.S. designed and produced all guest room case goods in Traditional Hickory with a contemporary spin. The straight-line design of the dressers, desks and headboards provide elegance that promote a relaxing and calming feel.

**PALACE CASINO RESORT - BILOXI, MS**

**HILTON MARCO ISLAND BEACH RESORT - FLORIDA**

The hotel's 297 newly re-designed bedrooms oversee the stretching beaches of the Gulf of Mexico. The mixture of wood textures in the headboards, dressers and night stands, in combination with the imported Italian stone tops, create a soothing contemporary theme. Each piece is designed, engineered and handcrafted with a Honey Tone figure sequence. Gold accents and rich darker finishes in elements throughout the room provide guests with a private retreat. The Hilton Marco Island resort is a vacation destination for all travelers across the world.

## HYATT PIER 66 - FORT LAUDERDALE, FLORIDA

Overlooking the waterfront and marina, the Hyatt Pier's 384 rooms offer comfort and relaxation to guests and travelers. J.I.S. Contract Furniture was involved in the design of pieces for the public spaces, including the reception desk and restaurant seating. The dark-stained wood finish and sleek design of the furniture pieces unify the common spaces. The muted colours of the walls and decorative elements accent the bold simplicity of the wood, fabric and stone materials used throughout.

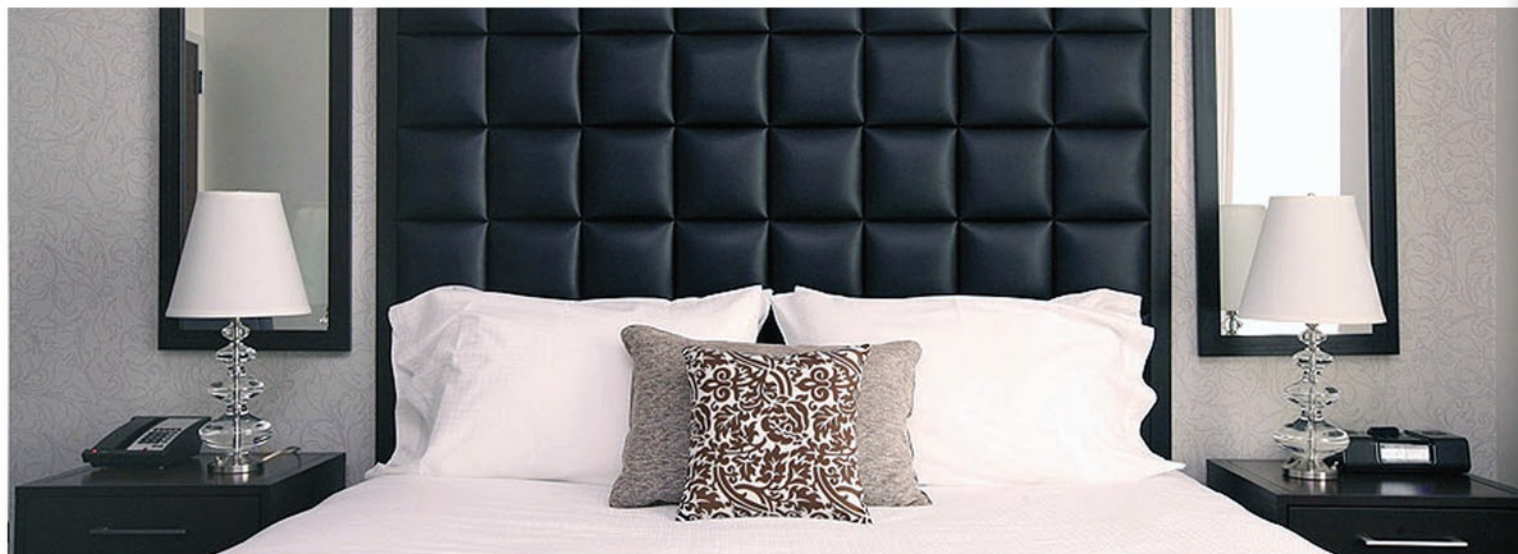

**DURABILITY**

Each piece we manufacture is made with the highest quality material, whether wood, metal or fabric. Our highly skilled craftsmen can construct simple or intricate designs that will withstand years of use and wear.

**DISTRIKT HOTEL - NEW YORK CITY, NEW YORK**
